Brian Craig 540-230-9954 [raisedinabarnfarm@swva.net](mailto:raisedinabarnfarm@swva.net)  
We are now taking orders for 5 frame nucleus colonies for Spring 2025. Over wintered nucs with a marked queen for \$175 each. These Nucs should be available, weather permitting, around the 12th of April. We should also have Spring Nucs with a marked queen for sale from mid May through the beginning of June. The queens are local survivor stock. Limited availability for all Nucs. Local pick up only in Willis, Virginia. Nucs come in a Jester Nuc box or on site we can place the colony in your equipment.

I will offer a free short bee course at pickup. The class consists of going over the frames and explaining what you are looking at, which is great for the new beekeeper.

Mike Nappier. [osudvm@gmail.com](mailto:osudvm@gmail.com). 440-539-1265  
5 frame medium nucs with marked, overwintered 2024 queens that are Pulaski local mixes with Russian genetics. Deep nucs available with advanced request. The best 5 frames from a 10 frame nuc. Price is \$185 and I will deliver to the NRV area and help install for an extra \$25 or can pick up from me directly. For new beekeepers I will be happy to provide mentorship as well.
